[Australia Curriculum, Assessment and Reporting Authority \(ACARA\)](#)

A guide for parents to the National Literacy and Numeracy Learning Progressions.

[Australian Institute of Family Studies](#)

Children home from school, parents working from home, or out of work. Grandparents isolated. Illness and fears for health and safety. It is a stressful time, but it can also be an opportunity for families to pull together and strengthen the bonds between them. Here are some resources that can help.

[Australian Parents Council](#)

How to cope with kids at home, encourage and support their learning, answer questions and look after their well being during Coronavirus.

[eSafety Commissioner](#)

COVID-19: an online safety kit for parents and carers

[Social Ventures Australia](#)

COVID-19 has lead schools and centres to develop educator led, home-supported learning. As a parent, you can be an effective partner in this learning. This page has some key learning concepts for you to keep in mind as you navigate your new, expanded role.

[University of Sydney Faculty of Arts and Social Sciences](#)

Access tips and resources from teacher educator and former classroom teacher and homeschooling mum, Dr Nikki Bruncker, that will keep your kids engaged and learning while they are at home during the Coronavirus outbreak.

[The Federal Government Australia – Education, Skills & Employment](#)

Parents, families, and carers are a child's first and most important teachers. The Australian Government has many initiatives and resources to help parents, schools, and communities work together to improve their child's learning.
