

The background features a series of overlapping, flowing lines in shades of light blue, teal, and green. These lines create a sense of movement and depth, resembling a stylized wave or a ribbon. The lines are semi-transparent, allowing them to overlap and create darker tones where they intersect. The overall effect is clean, modern, and serene.

Health & Wellbeing

[Neurosequential Network -COVID-19 Stress, Distress & Trauma Series](#)

The videos in this series with Dr. Bruce Perry explores patterns of stress determine risk and resilience, Understanding state dependent functioning, Emotional contagion, regulation, self care and more.

[Karen Young – Hey Sigmund](#)

People can do phenomenal things with the right information, and that's what this channel is all about - practical, research-driven information bundled into videos for kids, tweens, teens, and the important adults around them. The channel has been developed by me, Karen Young, and draws on my years of experience as a psychologist working with kids, teens, and families, and my work now as a speaker and consultant to parent groups, schools, and government organisations.

[Nathan Wallis – Conscious Intelligence](#)

Nathan Wallis, a renowned neuroscience educator, has developed a profound reputation as a lively and engaging speaker who uses humour and plain language to make this complex topic burst into life using his unique 'tell you how it is' style and his videos provide a few "ah-ha" moments for us during this tricky time.

[Students: How to look after your mental health](#)

Are you feeling anxious or stressed about what you're seeing online or on TV – or hearing from other people? Here are some easy mindfulness techniques to help you stay chill.

[Smiling Mind](#)

Thrive Inside is a special initiative to help you stay calm and healthy in the physical constraints of your home, while remaining calm and healthy inside your mind.

[Young people experiencing Domestic Violence](#)
